Quarter Schedule and find resources on the Global Health website.

Understand how to contact your Global Health Advisor and College Advisors!

ORIENTATION OBJECTIVES

WHAT IS GLOBAL HEALTH?

Physician Epidemiologist Clinicians Pharmacy Dentistry Nurse Physicians Assistant **Public Policy** Government Agencies Non-Profit Work Law Disaster Relief Orgs Community Health Research and Policy Health Advisor Health Educator Medical Researcher Program Management Program Development Human Resources

It is an area for study, research, and practice that places a priority on improving health and achieving equity in health for all people worldwide from an interdisciplinary perspective. Global health emphasizes people world wide. It involves population-based prevention with individual level clinical care.
